**THE GANG ALTERNATIVES PROGRAM
RECEIVES 2011 NONPROFIT OF THE YEAR AWARD**

Wilmington, CA – On June 3, 2011, Executive Director, Douglas L. Semark, Ph.D., and the Public and Governmental Affairs Team attended the Wilmington Coordinating Council’s Star Dinner and Awards Ceremony on Friday, June 3rd. GAP was honored along side other winners for its service to the Wilmington community.

“The Gang Alternatives Program (GAP) has been a long time community based agency in Wilmington, and has been serving the Harbor Area since 1986, and it’s an honor to receive this award” stated Douglas L. Semark, Ph.D., “however, its not about the award, but the acknowledgement from the community that GAP is continuing its efforts in sustaining its quality programs and services to the residents of Wilmington.”

Special accolades go out to the Community Clean Up employees, Gangfree Life® Advisors, Parent Project® facilitators, bulky items workers, STEP UP! staff and GAP volunteers for all of their time, talent and treasure in keeping the commitment to prevent our young people from joining gangs in our communities.
